

PONTOON BOAT SET-UP

The pontoon boat may be the most versatile boat around. They have plenty of room onboard for entertaining friends and family whether you are making a sunset cruise or taking the kids out to fish. No matter which activity you choose, a Humminbird HELIX Series model is the ideal choice. With the HELIX, you will know your precise location and have access to the best fish finding technology available. And for those that want to stay quiet when searching for or staying on fish, a Minn Kota trolling motor mounted onto a quick release bracket and a Talon shallow water anchor are great options to have.

Recommended Humminbird Units:

HELIX 12, 10, 9, 7
